Dear Prescribers

Patient's Consent to the Lifetime Duration of 24 Months' Treatment
Teriparatide Lupin Injection

Table with 2 columns: Field Name and Value. Fields include Distributor, Generic Name, Trade Name, Reference Product, AUST R Number, and Indications.

Generic Health Pty Ltd wish to provide you with the following information in relation to the therapy with Teriparatide Lupin:

- The maximum lifetime duration of treatment with teriparatide for an individual patient is 24 months. Informed consent must be obtained from each patient before starting therapy to ensure that the 24-month lifetime limit is understood by the patient.

Please use the attached Patient Consent Form for this purpose. A copy of the same can be downloaded from our company website, www.generichealth.com.au.

Please forward a copy of the signed Patient Consent Form to our Medical Information Team using the contact details below.

For further information, please refer to the latest Product Information and Consumer Medicine Information available from our company website, www.generichealth.com.au/Product Listing or the TGA website, www.ebs.tga.gov.au.

If you have any questions regarding the above, please do not hesitate to contact Generic Health using the contact details below.

Table with 2 columns: Team Name and Contact Information. Rows for Customer Service Team and Medical Information Team.

Yours sincerely

Medical Information Team, Generic Health Pty Ltd
